***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

none of the prior art of record discloses or suggests an electrosurgical device for ablating tissue and its method of use comprising in part the combination of the following:

a jaw comprising a first jaw arm and a second jaw arm, the first and second jaw arms each having a portion on an inner face for engaging tissue,

a malleable portion on at least one of the first jaw arm and the second jaw arm, the malleable portion permitting manual shaping of at least one of the portions for engaging tissue to the contour of the tissue to be ablated;

a plurality of infusion openings positioned along an inner face of at least one of the first and second jaw arms, the plurality of infusion openings in fluid

communication with a source of an electrically conductive liquid; and

an electrical conductor for conducting electrical energy to at least one of the first and second jaw arms.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
